

OUR MISSION

New Hope Center exists to glorify God by demonstrating the love of Christ to all, ministering to the family as a whole, and meeting the physical, emotional and spiritual needs of those who are served while upholding the sanctity of all human life.

OUR GOALS & OBJECTIVES

New Hope Center offers non-condemning education and support for people facing the possibility of an unplanned pregnancy. We focus on enhancing personal responsibility and decision-making. New Hope Center provides education on abstinence, sexually transmitted diseases, and fetal development; as well as emotional and material support (clothing, childcare accessories, etc.) for all experiencing unplanned pregnancies.

Hope Changes Everything.
