

“And I am certain
that God, who
began the good
work within you,
will continue his
work until it is
finally finished
on the day when
Christ Jesus
returns.”

Philippians 1:6

HOPE for the Next Generation

A special time of year has arrived when we celebrate all mothers and fathers. I was blessed with parents who loved, wanted and protected me. **And haven't we all been blessed with special people who played a major role in our lives – our “other” mothers and fathers?** They may or may not have been family; nonetheless, they are very special people who made a difference in our lives. That is the role we all play at New Hope Center – people that make a difference in the lives of women and men coming through our doors.

Mitch Albom once said, “Behind all your stories is always your mother’s story, because hers is where yours begins.” For 35 years, New Hope Center has been part of thousands of stories for mothers, fathers and babies. Stories that tell of the life-saving and family-strengthening work we do every day.

What are some recent stories of the mothers and fathers at New Hope Center? One mom said, *“I was completely clueless/lost when I came into this, and I feel that the advice and support provided by Holly (her mentor) prepared me more than I had ever imagined.”* Another one told us, *“Being able to talk with real people about real life in a loving environment is truly amazing.”* Yet another mother said, *“I think having a shoulder to lean on and advice to help meant more than anything! I love walking into the center receiving smiles every week from everyone.”*

After his fatherhood classes, Chris shared, *“I grew up without a dad. These classes taught me so much about how to be a good dad. But they weren't just classes; the knowledge transferred into real life! Whenever someone I know tells me they are pregnant, I send them to New Hope.”* Another father said, *“The fatherhood classes gave me a lot to think about, especially the one on how to be a role model for my child because I just want to be the best dad I can be.”*

You are also part of our New Hope Center stories! Thank You. The support of your time, talents, gifts and prayers make you a vital part of providing the hope and help that empowers mothers and fathers to choose life over an abortion for their babies, to equip them to become successful parents or walk with them when they choose an adoption plan.

Together we are making a generational difference in our community, saving and caring for babies and strengthening families while sharing Jesus. Wow, it's a Mother's Day and Father's Day celebration that never ends!

Blessings,

Hope Changes Everything.

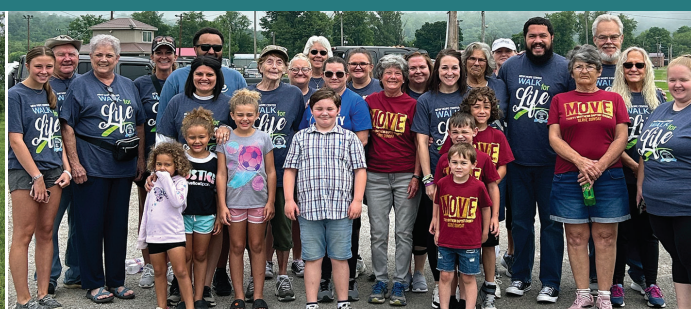

Paul is a proud father who has overcome lots of struggles and difficulties during his life. When Paul became a father, he realized he needed some help to become the best father possible to his son, Connor. That brought him to New Hope Center, where he attended 14 weeks of mentoring and parenting classes with his mentor, Mark. A few months after finishing his classes, Paul brought Connor into our Covington Center to introduce him to everyone. He was especially excited about seeing Mark and introduced Connor to him saying,

“Conner, this is Mark. He’s the guy who taught me how to be a dad!”

Like Paul, many of our mothers and fathers have stayed in contact with their mentors. Our New Hope family grows with every baby born. We are making an impact in the lives of the families who come through our doors. Mothers, fathers and babies continue to find life-changing, life-saving hope here, as they have for 35 years.

Thank You, Walk for Life walkers and sponsors!
Your support helped us meet our goal!

Wonderful memories made at the Father Daughter dances

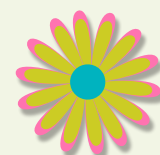

Joy, Peace and Hope (Romans 15:3) was the theme of our 15th annual Father Daughter Dance. 698 fathers and daughters danced, laughed, ate and celebrated the special night dedicated to strengthening the bond between a father or a special father figure and their daughter.

Thank you to our underwriters, Ben and Rachel Townsend and Tracker Products, and to the many vendors and friends who contributed to the raffle baskets, refreshments and decorations.

Planning and work has begun for our 2025 dances and we need volunteers to help. Call Marla at 859-341-0767 ext. 11 for more information.
