

2026 FUNDRAISING BANQUET

*By Hope we move
Forward*

Dear Table Hosts,

THANK YOU! Your partnership is vital to the success of our special evening!

As our nation marks its 250th anniversary—a milestone that invites us to reflect on the enduring values of faith, hope, and human dignity—we are especially grateful for friends like you who help support our life-saving mission. This year our goal is \$500,000. Every gift made will make a lasting impact by saving lives, strengthening families, educating students, and sharing God's love with those facing unplanned pregnancies.

Thanks to our generous underwriters, there is no cost for guests to attend. Please let your guests know, however, that this is our most important fundraising event of the year and an opportunity to invest in our life-changing ministry.

Enclosed you will find everything you need to fill your table(s). We look forward to celebrating God's faithfulness and the lives being transformed through your support. Together, as we commemorate 250 years of our nation's history, we can help create a legacy of hope and life for generations to come. **THANK YOU for being a table host!**

REBEKAH HAGAN – GUEST SPEAKER

Rebekah Hagan is one of today's leading voices on unplanned pregnancies and chemical abortion.

Raised in a Christian home where abortion was never discussed, Rebekah's journey into pro-life ministry was both unexpected and deeply personal. When faced with her second unplanned pregnancy, she was terrified of losing her support system and began a chemical abortion that changed her life forever.

Her story, however, took a remarkable turn, and she now uses her experience to delve into the mindset of those facing unplanned pregnancies and to expose the truth about chemical abortion and its marketing.

Her testimony has been shared globally by prominent outlets, including Focus On The Family, Students For Life, Live Action, Heartbeat International, Epoch Times, The Federalist, and World Magazine.
