

Founded in Hope

Sustained by Hope

*By
Hope we move
Forward*

This year, our nation celebrates 250 years—a legacy built by ordinary people who believed that what they were building could outlast them. Generation after generation, courage, sacrifice, faith, and hope have called people to build something greater than themselves. We have inherited the work, faith, and hope of those who came before us—and now it is our turn to carry it forward.

For 37 years, New Hope Center has been built by people who believed hope and life were worth fighting for. Some are no longer with us, but their prayers, sacrifices, and generosity laid the foundation on which we stand. It is now our turn to carry it forward, strengthen it, and leave something even greater for those who come after us.

I have witnessed what happens when hope enters a difficult moment: fear gives way to courage, uncertainty gives way to possibility, babies are given a chance at life, families find strength, broken hearts begin to heal, and lives are transformed by the love of Jesus.

These moments are why I believe so deeply in this ministry—and why I believe our greatest work is still ahead.

Tonight, my heart is especially grateful for you – those who have walked alongside New Hope Center for years, and those who are getting to know us for the very first time, I'm so glad you're here.

“Founded in Hope, Sustained by Hope, and by Hope we Move Forward” is more than a theme, it is an invitation to join something bigger than ourselves. Together, we can save more lives, strengthen more families, share the hope of Jesus, and build a legacy that continues giving hope long after we are gone.

I'm asking you to join me: Pray earnestly. Give generously. Serve faithfully. Bring someone else into this mission. Whatever God is placing on your heart, I invite you to take that next step with us.

Let's honor those who came before us by building on what they began. Let's carry their hope forward and together create a legacy that reaches beyond this room, beyond our lifetime, and into generations we may never meet.

Founded in Hope. Sustained by Hope. And By Hope, We Move Forward—Together.

With a grateful heart,

Karen S. Class
Executive Director

In 1989, Linda Gray answered God's call to help women facing unplanned pregnancies. From a small basement at Ashland Avenue Baptist Church, our Christ-centered, pro-life ministry—then *A Compassionate Alternative*—was born with a simple mission: to demonstrate Christ's love and offer hope when it was needed most.

In 1990, we celebrated the birth of our first baby. By 1995, we launched our Sexual Risk Avoidance (SRA) program, bringing abstinence education into local schools. In 2000, as our services and reach expanded, we became New Hope Center and began offering ultrasound services. In 2013, we received ECFA Accreditation, affirming our ongoing commitment to integrity, financial excellence, and transparent stewardship. Today, we are affiliated with Heartbeat International, CareNet International, NIFLA, and have a strong partnership with Focus on the Family.

At this point in time, four locations—Crestview Hills, Covington, Falmouth, and Vevay, Indiana—are reaching and serving women, men, and families through pregnancy testing, ultrasounds, individual and group mentoring, *Earn While You Learn* parenting classes, after-abortion care, adoption support, Bible studies, material assistance, SRA programs, and Father-Daughter dances.

With faith as our foundation, courage as our guide, and unwavering purpose, we remain committed to glorifying God by demonstrating Christ's love, serving families, and upholding the sanctity of every human life. Our history is a testimony to what God can do—and we believe our greatest impact is still ahead.

UNPLANNED PREGNANCY SUPPORT

Every day, women and men in our community face the fear and uncertainty of an unplanned pregnancy. In these critical moments, we stand beside them offering compassionate, life-affirming support. Our free, confidential services provide accurate information and the resources needed to make an informed choice and embrace the future with hope.

Here's how we help:

- Pregnancy testing and verification
- Ultrasounds
- Mentoring and Earn-While-You-Learn parenting classes where parents gain skills and earn baby essentials like cribs, car seats, diapers, and more
- Ongoing material support for families
- Adoption education and referrals

We believe every life has value and purpose. Our mission is to walk alongside those we serve—empowering them to choose life, embrace hope, and build a strong foundation for the future.

AFTER-ABORTION CARE

We provide a safe, confidential space with trained mentors where women and men can find healing from the pain of a past abortion. For those carrying silent grief or regret, we offer compassionate grace and truth to support emotional healing and spiritual restoration.

SEXUAL RISK AVOIDANCE (SRA) PROGRAM

Middle and high school students are equipped with knowledge and skills to make healthy, confident lifestyle choices through interactive lessons and real life applications focused on self-worth, goal setting, avoiding high-risk behaviors and the power of healthy choices. Rooted in the belief that today's decisions shape tomorrow's future, this program empowers youth to thrive, lead, and create a brighter future.

Hope Changes Everything.
